Purpose of Development Charges

The general purpose for which the County imposes development charges is to assist in providing the infrastructure required by future development in the County through the establishment of a viable capital funding source to meet the County's financial requirements.

Northumberland County Council passed By-law No. 25-2021 on August 25, 2021 under subsection 2(1) of the Development Charges Act, 1997. This by-law presents development charges for Northumberland County.

Northumberland County Development Charges

- All County services with the exception of Waste Diversion – Curbside Collection apply on a County-wide basis
- Waste Diversion – Curbside Collection services apply in the benefiting service area only (outside of Port Hope Rural Ward II)

A development charge is typically collected at building permit issuance. Other requirements pertaining to the timing of calculation and collection are included in the by-law.

County services included:

- Roads and related
- Waste diversion services
- Long Term Care
- Social Housing
- Paramedic Services
- Related studies and interest

Exemptions

Exemptions to the charges include industrial and residential additions, municipal and educational facilities, farm buildings, places of worship, hospitals, and municipal housing facilities.

Redevelopment

If a development involves the demolition and replacement of a building or structure on the same site, a credit will be provided. Demolition credits are allowed only if the demolition permit was issued less than 5 years prior to the issuance of a building permit.

Cost of Development Charges

The cost of applicable development charges is determined based on the average occupancy for residential units and Gross Floor Area for industrial, commercial and institutional facilities.
