### 1. Welcome

### 2. Approval of Agenda and Minutes

- i. Agenda and minutes from May 25<sup>th</sup> 2022 approved.

### 3. Action items from previous minutes

- i. Equity, Diversity, and Inclusion (EDI) Community Conversation presentation from United Way is available for members to review on the CSWB SharePoint site.

### 4. CSWB and OHT-N Data Collection

- i. Conversations underway between OHT-N and CSWB data group to look at any overlap between data points both groups are collecting. Currently OHT-N is completing a data potluck to determine what data exists, once this is complete the group will come back together to determine overlaps and next steps in joint collection opportunities, etc.
- ii. There was common interest discussed in using MS PowerBi to share data/information and ensure the data is accessible.

### 5. Funding Applications

- i. Overview of outstanding funding applications submitted specific to CSWB including; Public Health Agency Application (PHAC) to support data collection relating to CSWB and the CPAF application submitted to support a project focused on connecting youth to immediate supports and services in partnership with Rebound Child and Youth Services.

- ii. No other funding applications brought forward however members are encouraged to share information on funding applications this group may be able to assist with through partnership, data sources, etc.

## 6. Data Consortium Presentation

- i. Presentation on Northumberland County's Data Consortium program. Presentation will be uploaded to the CSWB SharePoint site. Sean Dooley is available if members have any further questions.

## 7. Implementation Status Update (Phase 4)

- i. Data is starting to come in through ongoing internal reporting, this will be brought forward to the data group for consolidation. Once this has gone through the data group, a process will be established for this to be shared with the collaborative.

## 8. Roundtable Updates

- i. **Rebound Child and Youth Services**
  - The Family Checkup program is launching, screening for people under the age of 7 will commence.
- ii. **Northumberland Hills Hospital Community Mental Health**
  - The walk-in on Tuesdays and Thursdays continues to be open and available including access for youth through Rebound.
  - Working with Northumberland County to support their homelessness worker in connecting with community members experiencing homelessness and mental health. Currently there is a focus on connecting throughout the county into rural centers etc.
- iii. **Northumberland United Way**
  - Announcement that Maggie Darling will be taking over Bobbie's work with the CSWB Collaborative to support community safety initiatives.
  - Continuing with ongoing Community Impact Work.
  - The use of rolling grants has launched through united way, further information is available on their website.
- iv. **Community living Northumberland**
  - The Northumberland Family Network is setting up a BBQ for families to come together and offer support, further information will be shared on the SharePoint site.
- v. **Family Health Teams of Northumberland**
  - Further expanding after hours availability through the family health team physicians.
  - Currently working on catching up on backlogs due to the pandemic including pap test screenings.
  - Moving towards a digital health platform and rolling out online booking with physicians.
  - Ongoing vaccination appointments are available.

**9. Closing**

**I. Next meeting**
