Item Number 6. **Agenda Item Title** 473 Ontario Street Request from Habitat for Humanity Northumberland

x I declare a non-disqualifying interest in the agenda item noted above in accordance with Rule No. 1 of the Code of Conduct, Avoidance of Conflicts of Interest.

The nature of my interest, and the reason why the interest does not prevent me from making an impartial decision, are as follows:

I work for Habitat for Humanity Kingston Limestone Region which is a separately incorporated affiliate of Habitat for Humanity Canada. Habitat Northumberland is set up similarly. We are separate corporations with our own boards of directors that share a common mission to advance safe and affordable housing with other Habitat organizations in the world.

I am, from time to time, aware of information regarding Habitat Northumberland and its projects in the same way that I am aware of projects at other Habitats. Our two affiliates share a fairly close relationship since I live in Northumberland and work in a nearby Habitat. Information I might receive is through informal channels, not specific in nature.

Neither I nor Habitat Kingston stand to gain in any way from a relationship between Habitat Northumberland and NCHC.

For the reasons recited above, the interest described above does not prevent me from making an impartial decision on this matter.
